Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

#### **Scope Of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquires, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

- IAS 27 Separate Financial Statements - Equity Method in Separate Financial Statements (Amendment)

The adoption of the above standards, amendments, interpretations and improvements did not have any material effect on the unconsolidated condensed interim financial statements.

In addition to the above standards and amendments, following improvements to accounting standards have also been issued by the IASB. Such improvements are effective for the current accounting period but did not have any material impact on the Company's financial statements.

#### Improvements to Accounting Standards Issued by the IASB

- IFRS 5 Non-current Assets Held for Sale and Discontinued Operations Changes in methods of disposal
- IFRS 7 Financial Instruments: Disclosures Servicing contracts
- IFRS 7 Financial Instruments: Disclosures Applicability of the offsetting disclosures to condensed interim financial statements
- IAS 19 Employee Benefits Discount rate: regional market issue
- IAS 34 Interim Financial Reporting Disclosure of information elsewhere in the interim financial report

#### 5. SIGNIFICANT ACCOUNTING JUDGEMENT AND ESTIMATES

The preparation of unconsolidated condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected. The significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation and uncertainty were same as those applied to the annual unconsolidated financial statements for the year ended December 31, 2015.

#### 10. TRADE AND OTHER PAYABLES

This includes provision against WWF of Rs. 144.08 million. Prior to certain amendments made through the Finance Acts of 2006 & 2008, Worker Welfare Fund (WWF) was levied at 2% of the total income assessable under the Income Tax Ordinance, 2001 excluding incomes falling under the Final Tax Regime (FTR). Through Finance Act 2008, an amendment was made in Section 4(5) of the WWF Ordinance, 1971 (the Ordinance) whereby WWF liability is applicable at 2% of the higher of the profit before taxation as per the accounts or declared income as per the return.

Aggrieved by the amendments made through the said Finance Act, certain stakeholders filed petition against the changes in the Lahore High Court which struck down the aforementioned amendments to the Ordinance in 2011. However, some stakeholders also filed petition in the Sindh High Court which, in 2013, was decided against the stakeholders.

Further pursuant to the show cause notice dated June 28, 2014 issued by the Deputy Commissioner of Inland Revenue (DCIR) under section 221(3) for rectification under section 221(1) of the Income Tax Ordinance, 2001 in respect of tax year 2013 for non-payment of WWF of Rs. 53.06 million under the provisions of section 4 of the Workers Welfare Fund Act, 1971, read with FBR circular no. 13 of 2008, the Company has filed a writ petition under Article 199 of the Constitution of Islamic Republic of Pakistan before the High Court of Sindh challenging the levy and demand for payment of WWF and obtained interim relief. The matter is pending adjudication before the Court.

In view of the promulgation of Sindh Workers Welfare Fund Act 2014 wherein financial institutions have also been brought into the definition of industrial establishment, the Company is in consultation with its tax advisors regarding the applicability of this enactment.

However on a prudent basis, the Company has recognized current period provision of Rs. 14.87 million and aggregate provision amounting to Rs. 144.08 million for the years from July 2011 to June 2016.

#### 11. CONTINGENCIES AND COMMITMENT

#### 11.1 Contingencies

There were no material changes in the status of contingencies as reported in the annual unconsolidated financial statements for the year ended December 31, 2015, except for the following:

- 11.1.1 The CIR-Appeals deleted the addition made as per order passed under section 122(5A) eliminating the tax liability and restored the return versions for the tax years 2008 and 2009. The tax department filed appeals to the Appellate Tribunal Inland Revenue (ATIR) against the orders of CIR-Appeals. The ATIR also decided the subject matter in respect of tax years 2008 and 2009 in favour of the Company. However, appeal effect orders passed by the department in respect of aforesaid tax years resulted in refund of Rs. 11.02 million for the tax year 2009. Rectification applications for both the years have been filed with ACIR to allow appeal effect in accordance with the order passed by the ATIR. The rectification application for the tax year 2008 was rejected by the ACIR on the contention that another amended order under section 122(5A) as discussed below is in field and previous order is no more in the field. Against the rejection, appeal was filed with the CIR-Appeals who vide his order dated December 22, 2015 has remanded back the matter with the directions to the ACIR for fresh proceedings.
- 11.1.2 The Additional Commissioner of Inland Revenue Audit Division (ACIR) had passed an order under section 122(5A) of the Income Tax Ordinance, 2001 (the Ordinance) in respect of the tax year 2008 and raised an undue demand of Rs. 96.48 million by unlawfully charging minimum tax at 0.5% under section 113 of the Ordinance on capital gain of Rs. 19,255.04 million and despite the fact that capital gains are treated under separate head of income as 'Capital Gains' and not as part of 'Income from Business'. Further, capital gains are not covered under the exclusive definition of 'turnover' stipulated in section 113 of the Ordinance. The Company had filed an appeal against the above order before the Commissioner Inland Revenue Appeals (CIR-Appeals). The CIR-Appeals, vide his order dated December 22, 2015, annulled the said order on the issue of charging of minimum tax under section 113 and treatment of capital gain as business income.

The amount was to be paid if and when the JS Bank Limited (the successor company of Jahangir Siddiqui Investment Bank Limited) receives certain refunds which were pending at the time of execution of the Agreement. There will be no increase in the number of shares pursuant to the aforesaid payment which is being made in terms of the Agreement. Pursuant to the approval of the Board of Directors of the Company the members of the Company in their Annual General Meeting held on April 11, 2016, have also approved the payment to COIC, by way of special resolution under Section 208 of the Companies Ordinance, 1984, subject to the requisite regulatory permission(s).

#### 19. FAIR VALUE OF FINANCIAL INSTRUMENT

Financial assets which are tradeable in an open market are revalued at the market prices prevailing on the balance sheet date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book value.

For investments in government securities, fair value is determined by reference to quotations obtained from PKRV Reuters page. In respect of investments in quoted equity securities, fair value is determined by reference to stock exchange quoted market price at the close of business day. For Term Finance Certificates, fair value is determined by reference to average broker rates.

The following table shows financial instruments recognised at fair value, analysed between those whose fair value is based on:

- Level 1: Quoted prices in active markets for identical assets or liabilities
- **Level 2:** Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices) and;
- Level 3: Those with inputs for the asset or liability that are not based on observable market data (unobservable)

#### 11. CONTINGENCIES AND COMMITMENTS

### 11.1 Contingencies

There were no material changes in the status of contingencies as reported in the annual consolidated financial statements for the year ended December 31, 2015, except for the following:

### In respect of Holding Company

- a) The CIR-Appeals deleted the addition made as per order passed under section 122(5A) eliminating the tax liability and restored the return versions for the tax years 2008 and 2009. The tax department filed appeals to the Appellate Tribunal Inland Revenue (ATIR) against the orders of CIR-Appeals. The ATIR also decided the subject matter in respect of tax years 2008 and 2009 in favour of the Company. However, appeal effect orders passed by the department in respect of aforesaid tax years resulted in refund of Rs. 11.02 million for the tax year 2009. Rectification applications for both the years have been filed with ACIR to allow appeal effect in accordance with the order passed by the ATIR. The rectification application for the tax year 2008 was rejected by the ACIR on the contention that another amended order under section 122(5A) as discussed below is in field and previous order is no more in the field. Against the rejection, appeal was filed with the CIR-Appeals who vide his order dated December 22, 2015 has remanded back the matter with the directions to the ACIR for fresh proceedings.
- b) The Additional Commissioner of Inland Revenue Audit Division (ACIR) had passed an order under section 122(5A) of the Income Tax Ordinance, 2001 (the Ordinance) in respect of the tax year 2008 and raised an undue demand of Rs. 96.48 million by unlawfully charging minimum tax at 0.5% under section 113 of the Ordinance on capital gain of Rs. 19,255.04 million and despite the fact that capital gains are treated under separate head of income as 'Capital Gains' and not as part of 'Income from Business'. Further, capital gains are not covered under the exclusive definition of 'turnover' stipulated in section 113 of the Ordinance. The Company had filed an appeal against the above order before the Commissioner Inland Revenue Appeals (CIR-Appeals). The CIR-Appeals, vide his order dated December 22, 2015, annulled the said order on the issue of charging of minimum tax under section 113 and treatment of capital gain as business income.

### In respect of JS Investment Limited

a) In respect of the appeals filed by the Company against orders passed for tax years 2006 and 2009 against demand of Rs. 162 million and Rs. 66 million respectively, the Deputy Commissioner Inland Revenue (DCIR) Appeals previously had not accepted the basis of addition and set aside both the orders in respect of allocation of expenses between various sources of income for fresh proceedings with the directions to apportion the common expenditure according to actual incurrence of expenditure to the various sources of income.

In respect of above said order of CIR (Appeals) for tax year 2006 and 2009, the Company filed second appeal before the Appellate Tribunal Inland Revenue (ATIR) in respect of apportionment of expenses, which is currently pending adjudication.

For the Half Year Ended June 30, 2016 (Un-audited)

The Appellate Tribunal Inland Revenue vide order dated May 21, 2016 has deleted the additions of tax amortization of Management rights and remanded back the issues of disallowed provisions and advertisement expenses.

The tax authorities issued orders giving effect (hereinafter referred collectively as 'appeal effect orders') to the order of CIR (Appeals) for both tax year 2006 and 2009 whereby demands for these tax years were reduced at Rs. 77.33 million and Rs. 59.93 million respectively. As the allocation of expenditure in the said appeal effect orders were not made according to actual incurrence of expenditure to the various sources of income, therefore, the Company again filed appeals before the CIR (Appeals) against the said orders.

In respect of second appeal filed by the Company before CIR (Appeals) against appeal effect orders for tax year 2006 and 2009, the CIR (Appeals) for tax year 2006 confirmed apportionment of expenditure made by the tax authorities in appeal effect order, however, adjustment of allowable expenses were set aside. For tax year 2009, CIR (Appeals) had set aside the appeal effect order in entirety for fresh assessment, which is yet to be made by tax authorities.

The Company has filed second appeal for tax year 2006 in the Appellate Tribunal Inland Revenue (ATIR) in respect of apportionment of expenditure made by tax authorities in appeal effect order earlier confirmed by CIR (Appeals). The said appeal before ATIR is currently pending for adjudication.

The CIR (Appeals) also rectified the order passed by his predecessor for tax Year 2006, whereby the addition regarding the portion of capital gain included in dividend received from mutual funds was held deleted. Resulted appeal effect order reflects refund of Rs. 29 million. The tax authorities have filed an appeal before ATIR against said order of CIR (Appeals) in respect of deletion of addition regarding the portion of capital gain included in dividend, which is pending for adjudication.

Management, based on views of its legal counsel, is confident of a favorable outcome in respect of above matters.

### In respect of JS Global Capital Limited

- a) During the period, an amended assessment order dated April 28, 2016, has been passed under section 122 (5a) of the Income Tax Ordinance, 2001 (the Ordinance) by the Additional Commissioner Inland Revenue, Audit Range A, Zone II, Large Tax Payers Unit II, Regional Tax Office (ACIR), Karachi for the tax year 2014. Through said order, the ACIR raised demand amounting to Rs. 20.081 million. We have filed rectification application identifying various errors / details not considered by the ACIR and requested the ACIR to rectify the same. In addition to that, Company has also file an appeal to the Commissioner Inland Revenue Appeals IV (CIR-A) which is pending. The Company has also obtained stay against recovery of demand from Sindh High Court (SHC) till the decision of CIR-A. The management of the Company is of the opinion that no liability would accrue in this regard.
- b) Tax department has issued notice confronting (alleged) non payment of Federal Excise Duty (FED) on Company's services under Federal Excise Act, 2005. In response thereto, an extension request was filed. The department however issued order without rejecting the application and raised FED demand of Rs. 78.003 million on account of non-payment of Federal Excise Duty (FED) for the period from July, 2011 till December, 2012. The Company has filed a rectification appeal amounting to Rs. 55.3 million against the said order on account of certain computational errors. However, for the remaining demand of Rs. 22.526 million (representing duplicate levy as the Company has already paid Sindh sales tax under Sindh Sales Tax on Services Act on such services) the Company has also filed an appeal / stay application, which is still pending. The Company has also filed an appeal in the Sindh High Court (SHC), through KSE Stockbroker Association (of which the Company is also the member) against aforementioned order on the grounds that after 18th amendment to the constitution, the services that were previously subjected to FED under the federal laws are now subject to the provincial sales tax and the Company has accordingly discharged its tax obligations in the respective provinces. The SHC has stayed Federal Board of Revenue from demanding sales tax on services from stockbrokers. Further, management of the Company and its tax advisors are of the view that the issue will be decided in Company's favour in view of the recent decision of SHC on the matter of duplicate levy of sales tax and FED on services. Thus, no further charge is expected to arise in respect of this matter.
- c) During 2015, the Company received a show cause notice from Commissioner Inland Revenue contending short deduction / deposit of tax on dividend paid during the year. Subsequently, an order was passed demanding an amount of Rs. 281,597. The Company filed an appeal with Commissioner Appeals and stay order was granted. The management of the Company is of the opinion that no liability would accrue in this regard.

### 20. Fair Value Financial Instruments

IFRS 13 "Fair Value Measurement" defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Group's accounting policy.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short term in nature or in the case of customer loans and deposits are frequently repriced.

### Fair value hierarchy

IFRS 13 requires the Holding Company to classify fair value measurement using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has following levels:

- LEVEL 1 Quoted prices in active markets for identical assets or liabilities.
- **LEVEL 2** Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices) and;
- LEVEL 3 Those with inputs for the asset or liability that are not based on observable market data (unobservable inputs)
- **20.1** The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.
